

Sub: Promotion and popularization of Investor Mobile Application by Depositories

The depositories(NSDL/CDSL) in co-ordination with SEBI have upgraded their respective investor applications (link of mobile application mentioned below) providing a consolidated, bird's eye view of investors' holdings in securities markets.

The salient features of apps are as follows:

- * Consolidated view of securities of client across both the Depositories eliminating the need for multiple login;
- * Transaction and holding statements at one place improving portfolio management by investors;
- * Monitoring of open positions and margin details across Stock Exchanges and Clearing Corporations;
- * Option to exercise E-voting on company resolutions; and
- * Access to recommendations of proxy advisers on resolutions.

We urge you to download the application from links given below and take benefits of the applications.
